

Structure Modules and
Pseudoknots

Pseudoknots

```
graph LR; A[Structure Modules and Pseudoknots] <-- B[Pseudoknots]
```

The diagram consists of two rectangular boxes. The box on the left is white with a black border and contains the text "Structure Modules and Pseudoknots" in two lines. The box on the right is gray with a black border and contains the text "Pseudoknots" in a single line. A black arrow points from the right side of the gray box to the right side of the white box, indicating a relationship or flow from the gray box to the white box.
